

Clear Water Concepts

Extended Limited Warranty

Coverage:

Clear Water Concepts warranties to the original purchaser, that the following products, parts, components, and materials will be free from defects in material, and workmanship. The manufacturer warranty becomes valid, effective, and applicable at the date of installation of manufacturer equipment.

Warranty Items Covered:

For a Period of Five (10) years – Water Softener Valve Body, Internal Valve Parts, Seals, Electronic Controls, Brine Tank, Distributor, Resin & Carbon, Piston and Transformer.

For a Period of Five (5) years – Spacer Stack Assy.

Labor Warranty: Labor is applicable for a total **5 years** on the Water Softener from the date of purchase and is applicable to any repair or replacement of warranted parts specified under this warranty. A service call fee may be applied for any service rendered that does not include replacement or repair of any part.

No sales representative or other person is authorized to make any other warranty on behalf of Clear Water Concepts. Upon expiration of the extended warranty, Clear Water Concepts shall have no further liability related to the products, parts, components, and materials in which the extended warranty applies.

This extended warranty does not cover damage to products, parts, or materials resulting from damage caused by exposure to sunlight, freezing, mishandling, improper installation, water pressures exceeding 80 psi, hot water back-up, and ambient temperatures over 140 degrees Fahrenheit.

Extended warranty **MUST** be presented to any Clear Water Concepts representative, or technician performing repair work to honor extended warranty. Labor charges incurred in connection to the repair and/or replacement of any, and all warranty parts, components, and/or materials, are **included and covered** in this extended warranty. This warranty does not cover failures and/or repairs and/or replacement of parts, due to neglect, misuse, mishandling, abuse, alteration of valve assembly, and adjustment or repairs performed by ANYONE other than Clear Water Concepts representatives, and technicians.

The extended warranty is subject to the requirements set forth in the owner's manual. Upon receipt or knowledge of any defective product, part, component, or material, Clear Water Concepts, will **repair or replace** the necessary product, parts, components, or materials.

Purchaser remedies for defects or failures, to the extent permitted by law, are limited to the remedy provided by the extended warranty, to the extent enforceable under applicable law. As soon as the purchaser discovers any defects or failure of the product, purchaser **MUST** within the period of applicable warranty notify Clear Water Concepts of defect, or failure.
